

MORTON & PITALO, INC. - JOB DESCRIPTION

ASSOCIATE PLANNER

Location: All **Department:** Planning **Job Title:** Associate Planner
Supervisor: Principal/
Senior Planner **FLSA Status:** Non-Exempt **Job Class:** 21

SUMMARY:

An experienced planner who is able to perform non-routine and complex planning assignments that require the application of standardized planning techniques. This individual works independently, with occasional advice or guidance from their supervisor.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Conducts research and analysis in relation to the administration of planning projects, including zoning information, development standards, fees, land uses, economic development and other complex planning issues.
- Work requires use of conventional computer techniques and a working knowledge of the terms and procedures of the occupation.
- Candidate will frequently be required to make mathematical computations using standard formulas.
- Individuals will work from sketches, models and verbal information supplied by an engineer, architect or developer to determine the most appropriate planning drawings and supplementary information needed to complete assignments.
- In most cases, candidate will independently resolve most of the problems encountered, although the supervisor or design originator may suggest methods of approach or provide advice on unusually difficult problems.
- Prepares planning documents and maps from rough sketches, drawings, information and other planning data received from developers, planners, engineers, and/or surveyors.
- Prepares formal reports such as feasibility studies, planned development guidelines and other detailed project reports based on information provided and research performed on a specified planning project.
- Prepares, coordinates and processes planning applications and submittal packages for all types of planning projects.
- Prepares and gives presentations to governing boards, commissions, and the public.
- Performs field visits to visually gather topographic information pertaining to a specified project.
- Other duties may be assigned as necessary to meet business requirements

MORTON & PITALO, INC. - JOB DESCRIPTION

ASSOCIATE PLANNER

QUALIFICATION REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

EDUCATION and/or EXPERIENCE:

Any combination of education and experience equivalent to a Bachelor's degree in planning or a related area, with a minimum of (4) four years planning or related experience. Candidate should have drafting and/or computer training from a high school or technical school and/or other appropriate basic computer and/or drafting experience. Individual should have minimum of (2) two years experience using AutoCAD and/or Land Desktop software.
